

## Rocco and the debating Coach at Germantown Friends School

ROCCO

I knew your mother. With her there was no debate!

DCGF

Not one you could win.

ROCCO

What's the topic tonight?

DCGF

That the Republicans are morally superior to the Democrats.

ROCCO

I'd like to speak to that.

DCGF

Chair recognizes Rocco.

ROCCO

Because they agree with those who bribe them.

DCGF

I can't comment as Chair. Would you let me recognize myself on the other side?

ROCCO

Permission granted.

DCGF

It can be argued that the Democrats are superior morally, since they disagree with those who bribe them, and thus do not really promise anything.

ROCCO

They don't need to.
